

FAAStTeam CFI Workshop #8

This is CFI Workshop module #8 in the series of eight modules. In this module, Pilot Deviations including Runway Incursions will be discussed.

Directions: Enter Main FBO. The Yellow Room is down the hall toward the back. Someone should be there to direct you to the room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
